EAR NOSE THROAT & ALLERGY FINANCIAL POLICY

We are committed to providing you with the best possible care and are pleased to discuss our professional fees with you at any time. Please ask if you have any questions about our fees, financial policy or your financial responsibility.

- All patients must complete our “patient information forms” prior to seeing the doctor
- **Full payment is due at the time of service** (unless we have contracted with your insurance carrier and all appropriate Referrals/authorizations have been issued). After full payment is made, you will receive an itemized receipt which you can submit for direct reimbursement.
- Your insurance carrier requires we collect designated copayment due at each visit. You are responsible for any deductible/coinsurance as indicated by your insurance plan. We reserve the right to collect these fees prior to rendering professional service (s), if applicable.
- **During your evaluation, additional procedures may be done if medically necessary.** These include hearing tests, allergy evaluation, wax removal, endoscopy of the nose or throat and cautery and/or packing for nasal bleeding. **These procedures are billed in addition to the office evaluation. If you prefer not to have any of these procedures done, please let us know in advance**
- Non-emergency treatment may be denied if:
 - A minor under eighteen is unaccompanied by an adult
 - A patient does not have a valid insurance card
 - A referral is unobtainable (when required by the insurance)
 - A patient has been delinquent on balance and/or the account has been sent to our “collection agency”
 - A patient has missed more than three previous appointments and has been advised of being denied another appointment
- **Failure to show for an appointment will result in a \$35.00 administration fee.**
